🌐 LinkedIn — 🐙 GitHub — 🌐 Portfolio — 📄 LeetCode — >_ GeeksforGeeks

Summary

Goal-oriented Computer Science student with an **8.9 CGPA** and Object-Oriented Programming experience in C++ and Java. Demonstrated technical excellence by solving **500+** Data Structures & Algorithms problems on LeetCode and GFG. Strong foundation in software engineering principles and building reliable, scalable technology solutions.

Education

Madanapalle Institute of Technology & Science

Madanapalle, India

Bachelor of Technology in Computer Science Engineering

2023 – 2027

- **CGPA:** 8.9 / 10.0 (Current 6th Semester)
- **Relevant Coursework:** Data Structures & Algorithms, Object-Oriented Programming (Java/C++), Database Management Systems, Operating Systems, Computer Networks.

Narayana Junior College

Tirupati, India

Intermediate (MPC)

2021 – 2023

- Percentage: 97.1%

Technical Skills

Languages: Java, C++, Python, JavaScript

Front-End: React.js, Tailwind CSS, HTML, CSS

Back-End: Node.js, Express

Tools & Libraries: Git, GitHub, VS Code, IntelliJ, Linux, OpenCV, MediaPipe

Databases: SQL, MongoDB

Projects

AI Fitness Trainer 🤖 | *Python, OpenCV, MediaPipe*

- Developed a computer vision application to track human pose landmarks in real-time.
- Implemented geometric logic to calculate joint angles and count push-up repetitions with 95% accuracy.
- Optimized frame processing algorithms to ensure smooth performance and efficiency on standard hardware.

DevType (Monkeytype for Coders) | *React.js, Tailwind CSS, JavaScript*

- Built a specialized typing practice platform designed for developers to improve speed with syntax-heavy languages like C++, Java, and Python.
- Engineered a real-time validation logic that accurately tracks indentation, special characters, and code formatting to determine user requirements and feature accuracy.
- Implemented live performance metrics (WPM, Accuracy, Raw Keystrokes) and a competitive leaderboard system to drive user engagement.

Achievements

Problem Solving & Coding Practices: Solved **500+** Data Structures and Algorithms problems combined across LeetCode and GeeksforGeeks.

NPTEL Elite Certification: Ranked in the **Top 5%** out of **50,000+** candidates, achieving "Elite + Silver" status in Internet of Things (IIT Kharagpur).

Certifications: Attained a **5-Star** HackerRank certification in C++ and advanced Problem Solving.

Mentorship & Leadership: Facilitated technical coding workshops for **50+** students and successfully coordinated **2** college-level technical symposiums.

Awards: Secured **1st place** in University E-sports competitions **2** times, utilizing strategic problem-solving and team collaboration.

Interests

Sports & Competitions: Cricket, E-sports, Fitness

Lifestyle: Organic Farming, Cooking
